2nd Summer School 2012
Crete

Learning Objectives

-what is currently researched in Hydrogen technology

...quick search on papers

- ⦿ In last 30 years
 - >1.2 million papers
- ⦿ In 20 years
 - ~1 million
- ⦿ In 10 years
 - ~700,000

- ⦿ Popular area.....

What is your area?

Broad Topic Area's

- Hydrogen Production
- Hydrogen Distribution
- Hydrogen Storage
- Durable and Cost effective Fuel cells
- Electrolysers
- Fuel Cell integration
- Fuel Cell Vehicles

- ⦿ White board discussion
- ⦿and research directions/focus
