

University of Ulster Jordanstown Campus - Medical Problems

For any serious accidents, medical emergency etc. in the first instance please call

Security on 028 903 66971 or 66971 on a campus telephone

because they are trained first-aiders and for more serious injuries or medical emergencies know what information to provide for an ambulance and/or doctor to swiftly attend on campus to provide the best medical attention. They will also assist for any less serious medical problem.

Off campus use 999 or 112 to call an Ambulance and or Police (you will need to know your exact location)

There is a clinic on the campus, next to Accommodation Services, close to Courtyard Halls of Residence -

Opening Times

Monday to Thursday.	9.00 - 5.00
Wednesday	9.00 - 9.00
