

Food & Catering on the Jordanstown Campus

- Antrim - hot meals - breakfast and lunch
- Bentra - sandwich and salad bar
- Moka - speciality coffee house
- Spar Express - convenience store

In addition to the University's own Catering Services there are a number of external catering providers on the Jordanstown campus:

- The Streat - sandwiches and snacks
- Deano's - sandwiches and snacks
- O' Briens - sandwiches and snacks

All of the above are located on the Mall (level F in the main building)

NOTE: Unfortunately, as this will be a vacation period, there will be no evening or weekend service available from any of the above - there is a larger Spar supermarket (including a Post Office, cash machine, off-licence) in the Shore Road which is open evenings and weekends about 10 minutes walk from the campus. Alternatively the [Abbey Centre](#) has large supermarkets (like Tesco, just outside the main shopping mall), many large shops, banks and places to eat etc.
