

Second European Summer School

# HYDROGEN SAFETY

BELFAST, 30 July - 8 August 2007

Marie Curie Conferences and Training Courses The Commission of the European Communities

Monday, 22 January 2007

Dear Colleague,

We are pleased to inform you that the **Second European Summer School on Hydrogen Safety** will be held at the University of Ulster (Belfast, UK) from **30 July to 8 August 2007**. The topical content of the School covers the whole spectrum of activities of the European Network of Excellence HySafe "Safety of Hydrogen as an Energy Carrier" ([www.hysafe.org](http://www.hysafe.org)). The Summer School consists of keynote lectures delivered by 12 leading specialists selected from all over the world; round table discussions; work in progress sessions; software demonstrations; exiting social programme, etc.

You are invited to apply for the Second European Summer School on Hydrogen Safety. Your application, which will be considered by the Organising Committee, should include:

1. Application form (enclosed).
2. Curriculum vitae (with a list of publications if any).

The Organising Committee of the HyCourse project will select 60 applicants: 33 with research experience of up to 4 years, 25 with research experience from 5 to 10 years and 2 with experience of more than 10 years. Selected applicants will enjoy and benefit from the following: reimbursement of travel costs up to €240 (for applicants with up to 10 years of research experience) and €478 (for applicants with more than 10 years of research experience); reimbursement of living costs (accommodation, meals) up to €105 per day, participation in social programme, a delegate pack, etc.

More information available at <http://www.engj.ulst.ac.uk/esshs/2ndesshs/2ndesshsindex.php>

We would be grateful if you would distribute this information to your colleagues.

***Application form and CV are to be submitted to:***

Mr. Robert P. Morley  
Manager of Hydrogen Safety Programme  
HySAFER group, FireSERT (Block 27), University of Ulster  
Newtownabbey, BT37 0QB, UK  
Phone: +44(0)2890368222; Fax: +44(0)2890 368726;  
e-mail: [ESSHS@ulster.ac.uk](mailto:ESSHS@ulster.ac.uk)

Yours sincerely,

Vladimir Molokov  
Coordinator, European Summer School on Hydrogen Safety

**NOTE:**

If you forward the following application form as an attachment could you please give it a file name as – "YourFamilyName\_FirstNameInitial" – ApplForm.doc example: Morley\_R – Applform.doc  
Likewise with your CV - "YourFamilyName\_FirstNameInitial" – CV.doc example: Morley\_R – CV.doc  
Thanks for your assistance.
