

The 'Apply Now' button is located at the bottom of the 'Quick Facts' box in the Prospectus (see Picture 1).

The screenshot shows the 'Find your course' page for 'PGCert/PGDip/MSc Hydrogen Safety Engineering'. The 'Quick Facts' box on the right contains the following information:

- Course Name:** PGCert/PGDip/MSc Hydrogen Safety Engineering
- Faculty:** Art, Design and the Built Environment
- Course Code(s):** PGCert: C514P3
- Duration:**
  - PGCert: One year (two semesters)
  - PGDip: One year (three semesters)
  - MSc: One year (three semesters)
- Download academic calendar outlining semester dates until 2011**
- Fees:**
  - PGCert: £1140.00 (EU) / £2883.00 (Non-EU)
  - PGDip: £2283.00 (EU) / £5766.00 (Non-EU)
  - MSc: £3420.00 (EU) / £8649.00 (Non-EU)
- Upcoming Start Date(s):** January 26, 2009
- Apply Now** button

Picture 1

Clicking the 'Apply Now' button spawns the 'Application Type' form (see Picture 2) with detailed instructions on how to create a user account.

- First time users are expected to create a new account. **Remember your login details.**
- Returning users are expected to submit their login details created previously.

In the 'Application Type' form (see Picture 2) there is a roll-down menu.

In this menu select:

- PG Distance Learning Programme.

Selecting this item spawns the 'Apply for Admissions' form (Picture 3).

The screenshot shows the 'Application Type' form. At the top, it says 'Select an Application Type'. Below this is a dropdown menu with the following options:

- Cert in Prof&Pers Devl Program
- International Exchange Program
- PG Distance Learning Programme** (highlighted)
- PGCE Programmes
- Research Programme
- Taught Postgraduate Programme
- Taught Undergraduate Programme
- UG Distance Learning Programme

Below the dropdown menu is a 'Continue' button. To the right of the dropdown menu, there are instructions:

To Apply for Admission, first select the Application Type for the programme you wish to apply for from the drop down list displayed below and then click the Continue button.

Please note that

1. International Exchange Programmes are only available to those applicants whose home colleges or universities have a current Exchange or Study Abroad partnership with the University of Ulster. Please do not select this option unless this is the case. If you are an International applicant whose home institution does not have such a partnership with us and you wish to be considered for study here, please select the relevant programme from one of the other listed application types instead.
2. Certificate in Professional and Personal Development programmes are only available to those who are already students at the University of Ulster and who plan to undertake CPPD modules alongside their main programme. You should only select this application type if you have been advised to by your Programme Director.
3. PGCE PROGRAMMES - Applicants should note that the closing date for PGCE Primary is 10 December 2008. For PGCE Post-Primary, preference will be given to those applications received by 10 December 2008.

Anyone who is unsure of which application type to select should contact the Admissions Office for advice prior to application.

Picture 2

The 'Apply for Admissions' form (Picture 3) displays a number of items. Only the 'Programme Selection' item is described here.

The 'Programme Selection' item enables you to select a particular study option (see Pictures 4 and 5):

- PgDip/MSc Hydrogen Safety Engineering with PgCert Exit Award (Full-time, 1 year)
- MSc Hydrogen Safety Engineering with PgCert and PgDip Exit Awards (Full-time, 1 year)
- PgCert/PgDip/MSc Hydrogen Safety Engineering (Part-time, 3 years)
- PgDip/MSc Hydrogen Safety Engineering with PgCert Exit Award (Part-time, 3 years)
- MSc Hydrogen Safety Engineering with PgCert and PgDip Exit Awards (Part-time, 3 years)

Application Checklist

Below is a checklist of the sections of the on-line application form. As you complete each section this page will be updated to show your progress. Please ensure that when entering text throughout your application, you use a mixture of upper and lower case type i.e do not enter details in all upper case or lower case letters.

When you have provided all the application information required, click Application is Complete to submit your application. Incomplete applications are stored and may be updated later.

We will use the information you provide on the application form to consider your application and, if you are offered a place, to make arrangements for your admission. The information you provide will be made available to programme selectors and to other administrative staff responsible for admissions arrangements.

- Name
- Personal Information
- Address and Telephone Numbers
- Country Information
- Programme Selection
- Application Confirmation
- Education and Qualifications
- Employment Details
- Funding Details
- Referees & Personal Statement

Application is Complete    Finish Later
